ELEVATE CROSS-OVER FLOUNCE SKORT

#W2209

Admittedly we went a little “greatest hits” vibe on ELEVATE because our previous flounce skort destroyed the competition. We updated ELEVATE with a tummy tucking cross-over waist band that rides higher on the sides to cinch you in. The double flounce screams cuteness while a slight rise on your skort sides reveal a little shortie. Be prepared to hear “where did you get that cute skort” a bunch!

FLIRT-2 DOUBLE-PLEAT SKORT

#W2207

She's back! By overwhelming demand, our best-selling skort FLIRT-2 has had some enhancements. No nip n' tuck or botox here, FLIRT-2 has retained her award-winning look, but we added cool attributes to keep her current with the times. Think flip-phone...now smart-phone. That same ol' flirty charm is still considered her greatest weapon on the court.

KOURTNEY RUCHED / FLOUNCE SKORT

#W2208

Move over boring old traditional skorts, there's a new girl in town and her name is KOURTNEY. The French created the "ruche" look back in 1806 but this timeless art of gathering fabric to create a sporty yet sophisticated look is a wowzer still today. Go ahead say it. "Oui j'adore cette jupe de tennis" (Yes, I love this tennis skirt).
